

# Unlimited Tennis Open Court Time

## Question and Answer

### Is this agreement good for everybody on my Elite Sports Club membership?

This agreement is good for one individual. If multiple members on the same membership want to use the Unlimited Open Tennis, each member must purchase their own Unlimited Open Tennis.

### What type of membership do I need to have to be eligible to purchase the Unlimited Open Tennis?

All Junior Tennis memberships can purchase the Unlimited Open Tennis. Junior Tennis members are allowed to use this at both Elite Sports Club-North Shore and Elite Sports Club-West Brookfield.

Elite Sports Club-North Shore individual, couple and family members can purchase this Agreement. Agreement is on a per person basis. Unlimited Open Tennis is only available at Elite Sports Club-North Shore location.

Elite Sports Club-West Brookfield individual, couple and family members can purchase this Agreement. Agreement is on a per person basis. Unlimited Open Tennis is only available at Elite Sports Club-West Brookfield location.

Elite Sports Club-Passport and Elite Sports Club-Mequon individual, couple and family members can purchase this Agreement. Agreement is per person basis. Unlimited Open Tennis is available at Elite Sports Club-West Brookfield & North Shore location.

### What is considered a "Court Reservation"?

You are allowed to make one court reservation in advance per day. If you are playing with another unlimited open tennis player, your court reservation with that person is considered one reservation. Therefore, you cannot make another court reservation under the other person's name without violating the one advance reservation rule.

### My club has no open courts, can I use my Unlimited Open Tennis at another club?

There are no exceptions to play at a club that is not part of this agreement. We do have many lessons, social events and tournaments that may make the tennis courts not available. Please be aware that in the case of a conflict you will be unable to use your Unlimited Open Tennis

### Can I play more than 90 minutes in a row?

You can only book 90 minutes at a time. To be fair to other Unlimited Open Tennis players, if multiple courts are available after your 90 minute reservation and everybody that has purchased the Unlimited Open Tennis had a chance to book a tennis court, you may book a court after your first reservation with front desk approval.

### Can I get a pro-rated Agreement?

Current members **cannot** get a pro-rated agreement. Below shows a break-even chart. New members may get a pro-rated price of \$30 (+tax) per month. New members must purchase within first month of membership. After first month of membership, no pro-rations will be made.
